

PRODUCT SPECIFICATION SHEET

Spray Buff

Item No. FCHFB1

Description:

A blend of polymers, surfactants, and mild solvents that removes all black heel marks and dirt, replacing them with a brilliant shine that will upgrade the original gloss of the finish. Simply spray on floors and polish with spray buff pad. Saves time and money because less frequent recoating is necessary, as well as extending time spans between stripping. Gives high gloss with low usage.

Features & Benefits:

- Provides excellent lubricity to pad surface for a higher shine.
- Effective repair of all floor finish types.
- Versatile - The perfect product for use with conventional and high speed equipment.

Directions:

Remove soil and dust mop the floor. Spray a light mist of product on the floor in front of the floor machine. DO NOT OVERWET. Using a nylon or polyester spray buff pad, buff the floor where the fine mist of spray buff has been applied. Flip or change pad as necessary. After spray buffing the floor is completed, dust mop the floor if dust is still present. NOTE: In order for spray buff to work correctly, three or four base coats of floor finish must be applied before using spray buff in order to achieve maximum gloss and wear properties. Heavy traffic areas may require dust mopping, followed by damp mopping, followed by spray buffing. Use of this spray buff will eliminate powdering and will never yellow the floor.

Ideal for use in:

- Spray bottle
- Auto scrubber

Specifications-

Color (dry)	Clear
Color (liquid)	Milky green
Fragrance	Clean bouquet
pH	8.0 - 9.5
Gloss	Excellent
Heel mark resistance	Excellent
Recoat	Excellent
Specific gravity	1.0

Ingredients:

Water (7732-18-5); Ethylene Glycol (107-21-1); C9-11 Alcohols Ethoxylated (68439-46-3); Fragrance Oil (N/A); DMDM Hydantoin (6440-58-0); D-Limonene (5989-27-5)

Storage & Shelf Life:

2 year warranty, Keep from freezing
